

March 13, 2007

Dear Applicant,

The Association for Systems Management of Tulsa (ASM Tulsa) annually awards scholarships to individual students, who in the judgment of the Scholarship Committee demonstrate the potential for achieving excellence in the Information Systems and Computer Science fields through academic achievement and personal maturity.

This year, ASM Tulsa has available full-time and part-time student scholarships in the amount of \$250 to \$500 each. Also, each winner will receive a one-year student membership to ASM Tulsa.

The scholarship selection process is conducted in two phases: (1) the Scholarship Committee will review each application and (2) finalists will receive an invitation for a personal interview. In order for the Scholarship committee to make a fair assessment of each applicant, the Committee Chairman must receive the scholarship application and all requested documentation by April 1, 2007.

Each application packet must contain:

- a fully completed application
- a copy of your grade transcript(s)
- an introductory letter to the scholarship committee telling about yourself and your goals.
- To meet IRS guidelines, we also need a receipt or letter from your school, reflecting that you paid tuition or other educational expenses equal to at least \$500, the maximum scholarship amount.

Please mail your application packet to:

Jennifer McNamara, ASM Scholarship Chair  
3110 East 33<sup>rd</sup> Street  
Tulsa, OK 74105

The ASM Scholarship committee wishes you success and looks forward to meeting you personally.

Sincerely,

Jennifer McNamara  
Scholarship Chairman
